The Premier’s Amazing Reading Challenge.... 2007

by Seacliff Primary School
Reception / Year One students

`Aim High` is our school motto
With our reading we strive to fly
We all love to read
And we have really enjoyed reading the books selected on the Premier's Reading Challenge
We collaborated to make this Powerpoint display of some of the books that we have read from our library...
We can’t wait until next year
Until we get challenged once more!!!

We were always focused and on task
And did what we were asked!!!
We love to read everywhere...  
We just love reading...

Every Tuesday afternoon we go to the library to share stories with Mrs. Jones, our librarian.

We love to go and share our stories with Mr. Miller, our principal, but he also loves to share stories with us!!

We love to read with the older guys. They are nearly as good as us at reading.
