Title: Parvana's Journey

Author: Deborah Ellis

Categories: Adventure, Historical

This book is about: A girl named Parvana who is finding her family and she meets some new friends along the way. I can't tell you what happens or I'll spoil it for you.

The best thing about this book is: This is a wonderful book which is explained in such fine detail once I read the first page I couldn't manage to put the book down!! I can't wait to read Parvana's Promise. If only every book was like this so interesting and I'm actually learning something!
