Hello everyone,

We hope you are finding the data entry period as smooth as possible! Data entry is open until September 19th, but we recommend getting an early start so you’re not too inundated at the end. If you’re having any trouble with your data entry, you can find the instructions on our website and if your problem is still unresolved, please do not hesitate to give us a call on 8226 4300 or send us an email.

**POSTER VOTING IS NOW LIVE!**
Starting from **today, 1 August**, your students can vote on which poster they want to see as the 2014 PRC poster, due in your school next year! We again have 2 options for primary students and 2 options for secondary. All will be revealed in November, when the Premier will unveil the winning primary and secondary poster for 2015 - watch this space.

**Surveys**
We would love to hear what your students, families and staff think about the Premier’s Reading Challenge and how to improve it. We would really appreciate if you could take the time to bring our surveys to the attention of your students and their parents and families. We also value your input on how the Challenge is going, as your support is crucial to its success, so please take the time to fill one in yourself.

**National Science Week**
As August is science focus month, you may like to consider getting students to enter the Sci-Ku competition! Check out the **RiAus website** for more information.

There are also library packs available and a **website for National Science Week**, from 16-24 August 2014. Have a look for ideas of how you can include science in the final weeks of reading.
