Hello everyone!

We are into the last weeks of reading for the Challenge, which ends on 5 September 2014. Please encourage all students to complete the Challenge to achieve their awards.

Data entry

It is great to see how many schools are taking up the opportunity to enter data from 7 July to 19 September. For those who haven’t, please consider taking advantage of this extension of time to enter your data. If entering over a period of days, please keep a record of where you got up to and always and always click submit/save before leaving your computer.

We have developed a tutorial video for both government and non-government schools, to assist you in entering your data. They take you, step by step through the process and we hope that you find them useful.

Don’t forget …

Poster voting – give your students a voice!

Due to positive feedback regarding the primary and secondary posters, there will be two promotional posters once again for 2015: one to engage primary students and the other for secondary students. The
voting process will be the same as last year, with an additional screen directing voters to elect the primary or secondary poster. There are two options for both school settings and we have seen the great designs which we think students will simply love.

Please urge students to go to 'Kidspace' or 'Teenspace' on the Challenge website and register their choice for the primary or secondary Premier's Reading Challenge poster for 2015. Opt for the poster you would like, and then click to register your vote from Friday 1st August – Friday 29th August 2014.

**Zoomerang Survey 2014**
The Challenge survey this year can be completed via the links on the News page on the Challenge website from 1 August. Please encourage staff, students and parents to provide their valuable feedback in the interests of ongoing improvement to the Challenge.

**Dates for the survey:** Friday 1st August – Friday 28th November 2014

*Thank you for all of your efforts, and for the fantastic work that you do in promoting and supporting the Challenge.*
