Title: My Life As An Alphabet

Author: Barry Johnsberg

Categories: Families/Relationships

This book is about: A young girl called Candice and she has a dead sister called Sky, her mum who has breast cancer and her dad who loves looking at keys on a keyboard. She also has a boyfriend called Douglas Benson from another dimension.

The best thing about this book is: It is funny and it relates to my life and it is such an enjoyable book but it is a little bit challenging.
