Hello everyone,

Please don’t forget, data entry closes on **18 September 2015**.

**Non-government schools**
There is a possible issue for **non-government school users** using Internet Explorer v10 with screens not displaying correctly. The fix is an easy one however, all you need to do is click the “Compatibility View” icon on your address bar (it looks like a torn page and will turn blue once on).

PLEASE NOTE: We do NOT recommend using Mozilla Firefox or Google Chrome for data entry, as the system was designed for Internet Explorer. We also don’t recommend the use of Macs. **This issue does not affect DECD schools.**

If you’re still having trouble with your data entry, you can find help instructions on our [website](http://www.prc.sa.edu.au). If your problem is still unresolved, please send us an [email](mailto:carmel.jones@sa.gov.au) with an explanation of the problem, what browser you are using (if a non-government school) and, if possible, a screen capture of the screen, so we can see any error messages or missing sections.

**Poster voting – primary and secondary posters**
Give your students a voice to choose posters for the 2016 Challenge and make sure you and your students vote on which poster you want to see as the 2016 PRC posters. There are [two options for primary](http://www.prc.sa.edu.au) students and [two options for secondary](http://www.prc.sa.edu.au). All will be revealed in November, when the Premier will unveil the winning primary and secondary posters for 2016.

**Surveys**
We would love to hear what your students and their families think about the Premier’s Reading Challenge and how to improve it. We would really appreciate if you could take the time to bring our surveys to the attention of your [students](http://www.prc.sa.edu.au) and their [parents and families](http://www.prc.sa.edu.au). We also value your input on how the Challenge is going, as your support is crucial to its success, so please take the time to [fill one in yourself](http://www.prc.sa.edu.au).

**National Science Week**
As August is science focus month, you may like to consider getting students to enter the Sci-Ku competition! Check out the [RiAus website](http://www.prc.sa.edu.au) for more information.

There is also a [website for National Science Week](http://www.prc.sa.edu.au), from 15 – 23 August 2015. Have a look for ideas of how you can include science in the final weeks of reading.

We thank you again for your [fantastic](http://www.prc.sa.edu.au) support of reading and the Premier’s Reading Challenge – keep them reading!
